PROFESSIONAL EXPERIENCE

Energy Healer

2015 – Present

- Over a decade of expertise in reducing physical health issues and mental health stigma, promoting flourishing lives, fostering both personal, professional and business growth.
- Dedicated and love to empower people to live with more clarity, purpose, and passion.
- Provided personalized healing services to individuals in need of energy healing, fostering emotional healing and empowering clients to overcome personal challenges.
- Conduct thorough assessments to identify specific energy imbalances and determine appropriate energy healing techniques to be employed for each healing.
- Collaborated with other healthcare professionals, such as doctors and therapists, to integrate Energy Healing as a complementary therapy in client treatment plans.
