

## Help Support Us

The Wilder Grove is a place that serves the spiritual needs of a broad range of people: people from many different paths of belief, people with many different needs for spiritual growth, and people with different levels of economic freedom. As a result, in order for us to be able to continuously add new experiences and opportunities to those who come to lose and find themselves upon the paths we offer, we need help from you, the members of the greater Wilder Grove community.

Your donations to our GoFundMe campaigns and in person at our events, and your support through other avenues (such as Patreon) will allow us to continue building on the amazing facilities that we already have, adding in additional meditative spaces and experiential resources that will be available to all guests of the Wilder Grove. It will also allow us to continue offering services, classes, workshops, and other experiences to people on a sliding scale, so that those who have less economic freedom can still enjoy the opportunities for personal and spiritual growth that the Wilder Grove provides.

Follow us on Facebook and Instagram for updates on our fundraising opportunities. Or donate directly through PayPal using the QR Code here!

We are ever so grateful for all donations.

*A Place to Lose Yourself*

*A Place to Find Yourself*

**The Wilder Grove is a place to lose yourself:  
to set aside the everyday, to escape the  
emotional stresses and mental burdens that we  
all carry inside as we go about our daily lives,  
and instead focus on learning, meditative  
practice, and healing. The Wilder Grove is a  
place to find yourself: to engage in ritual, in  
journey work, in rites of passage that allow you  
to meet the person you are becoming.**

## About Us

The Wilder Grove is the realization of a life-long dream to offer education, resources and opportunities for those who are on a path of spiritual exploration. Through our years of service to the spiritual community, we have gained the knowledge and experience to humbly offer our wisdom to those who seek to better understand themselves and the path they are on.

We look forward to deepening our service, and to helping you find your personal truth.

# How We Serve

For those who are on a spiritual path of exploration, ceremonies, rites of passage, personal journey-work, and the deeper understanding of the self are as important as spending time in nature itself. Yet there are few such opportunities in conventional establishments, and that can leave folks feeling lost. The good news is that getting lost is a step in the right direction, for only then can we begin to find our way to our truest, most authentic selves.

With that in mind, the teachers and guides from the Wilder Grove offer a variety of retreats, classes and workshops as well as rites of passage, rituals and journey-work intended to help you find your personal spiritual path, and begin working toward refining it.

# Location

*The Wilder Grove is located on 10 acres of beautiful private land surrounding the founders' home in Hartwood, Virginia, and has nature trails, a sacred circle, a drum circle, an indoor swimming pool, and many other magical spaces to explore. Because our events take place on private property, the exact address and directions will be sent to confirmed guests who have completed the registration process for events, classes and workshops.*

## Annual Events

In addition to all the other events, classes and other activities, the Wilder Grove, with the help of many dedicated volunteers, hosts two annual events that support the greater spiritual community in the region and beyond:

The largest Beltane celebration in the Northern Virginia area, founded in 2008 and celebrated each year at Prince William Forest Park in Triangle, VA.

### Mystic Fire
